Independent Auditor's Report

To the unitholders of Yaqeen Petrochemical ETF

Opinion

We have audited the financial statements of **Yaqeen Petrochemical ETF** (the "Fund") managed by Yaqeen Capital (the "Fund Manager"), which comprise the statement of financial position as at 31 December 2023, the statements of profit or loss and other comprehensive income, changes in net assets (equity) attributable to unitholders and cash flows for the year then ended, and notes, comprising material accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2023, and its financial performance and its cash flows for the year then ended in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board ("IFRS Accounting Standards") that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants ("SOCPA").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing ("ISA") that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards), that is endorsed in the Kingdom of Saudi Arabia (the "Code"), that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with the Code's requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Other matter

The financial statements of the Fund as at and for the year ended 31 December 2022, were audited by another auditor who expressed an unmodified opinion on those financial statements on 30 March 2023.

Independent Auditor's Report

To the unitholders of Yaqeen Petrochemical ETF (continued)

Other information

The Fund's Manager is responsible for the other information. The other information comprises the information included in the Fund's annual report but does not include the financial statements and our auditor's report thereon, which is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Fund's annual report, when made available to us, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of the Fund Manager and Those Charged with Governance for the Financial Statements

The Fund Manager is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS Accounting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by SOCPA, the applicable provisions of the Investment Funds Regulations issued by the Board of the Capital Market Authority, the Fund's Terms and Conditions and for such internal control as Fund Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Fund Manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Fund Manager either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, the Fund's Board, is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. 'Reasonable assurance' is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA that are endorsed in the Kingdom of Saudi Arabia, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISA that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Fund Manager.

Independent Auditor's Report

To the unitholders of Yaqeen Petrochemical ETF (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Conclude on the appropriateness of the Fund Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit of **Yaqeen Petrochemical ETF** (the "Fund").

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

YAQEEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

NOTES TO THE FINANCIAL INFORMATION FOR THE YEAR ENDED 31 DECEMBER 2023

(All amounts are in Saudi Riyals unless stated otherwise)

1 General information

Yaqeen Petrochemical ETF Fund (the “Fund”) is a fund established under contractual agreement between Yaqeen Capital (the “Fund Manager”) and investors in the Fund (the “Unitholders”). The Fund aims to achieve capital growth and gains on the long term through inactive management of a basket of shares of companies in the petrochemical industry listed on the Saudi exchange for the purpose of achieving performance level similar to index performance before fees and expenses. The Fund is “open-ended” and does not normally distribute any dividends to the Unitholders. Instead, all profits collected in the Fund are reinvested and reflected in the price of the Fund’s unit. The Fund may, at the discretion and approval of its Board of Directors, distribute excess liquidity in the form of distributions to the Unitholders.

The address of the Fund Manager is as follows:

Yaqeen Capital
Olaya Street, P.O. 884
Riyadh 11421
Kingdom of Saudi Arabia

Yaqeen Capital is the administrator of the Fund. Further, Yaqeen Capital is assigned as the custodian of the Fund.

In dealing with the Unitholders, the Fund Manager considers the Fund as an independent accounting unit. Accordingly, the Fund Manager prepares separate financial statements for the Fund. In addition, the Unitholders are considered as owners benefiting from the Fund's assets.

The Capital Market Authority (CMA) license was granted to the Fund on 11 Rajab 1431H (corresponding to 23 June 2010). The Fund commenced its activities on 23 Rajab 1431H (corresponding to 5 July 2010).

The Fund is governed by the Investment Fund Regulations (the “Regulations”) published by CMA on 3 Dhul Hija 1427H (corresponding to 24 December 2006) as amended by the resolution of CMA board on 16 Sha’aban 1437H (corresponding to 23 May 2016). It is further amended by the resolution of CMA board on 12 Rajab 1442H (corresponding to 24 February 2021).

1.1 Primary market operation (creation and redemption of units)

The primary market operations are only carried out by the Fund Manager who is the authorized Market Maker. The creation and redemption activities are done on the basis of blocks of exchange traded fund (ETF) units, referred to as “creation unit and redemption unit” respectively. The process of creation and redemption of ETF units is on an in-kind basis whereby the Fund Manager and the Market Maker interexchange ETF units with the Fund and the basket of assets, through the custodian, for the purpose of creation and redemption of ETF units. The created units are then freely floated on Tadawul for public trading.

2 Basis of preparation

2.1 Statement of compliance

These financial statements have been prepared in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board (“IFRS Accounting Standards”) as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are issued by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”).

YAQEEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

NOTES TO THE FINANCIAL INFORMATION FOR THE YEAR ENDED 31 DECEMBER 2023

(All amounts are in Saudi Riyals unless stated otherwise)

2 Basis of preparation (continued)

2.1 Statement of compliance (continued)

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and non-current assets and liabilities separately in the statement of financial position. Instead, assets and liabilities are presented in order of liquidity.

The Fund can recover or settle all its assets and liabilities within 12 months from the reporting date.

The Fund has also complied with Investment Funds Regulations published by CMA and Fund's terms and conditions, information memorandum and key information summary (collectively hereinafter referred to as "Terms and Conditions") with respect to preparation and presentation of these financial statements.

2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention, except for the financial assets at fair value through profit or loss that are measured at fair value.

Furthermore, these financial statements are prepared, using the accrual basis of accounting and are based on the going concern basis.

2.3 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates (the "functional currency"). These financial statements is presented in Saudi Riyals which is the Fund's functional and presentation currency.

2.4 Financial Year

The financial year of the Fund commences on 1 January and ends on 31 December of each calendar year.

2.5 Use of judgements and estimates

In the ordinary course of business, the preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. There are no areas of significant judgment or critical assumption used in the preparation of these financial statements.

3 Application of new and revised standards

3.1 New standards

Following are the amendments to standards which are effective for annual periods beginning on or after 1 January 2023. The adoption of these new standards did not have a significant impact on the financial statements of the Company.

- Narrow scope amendments to IAS 1, Practice statement 2 and IAS 8
- Amendment to IAS 12- deferred tax related to assets and liabilities arising from a single transaction
- IFRS 17, 'Insurance contracts', as amended in December 2021

YAQEEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

NOTES TO THE FINANCIAL INFORMATION FOR THE YEAR ENDED 31 DECEMBER 2023

(All amounts are in Saudi Riyals unless stated otherwise)

3 Application of new and revised standards (continued)

3.2 Standards issued but not yet effective

Following are the new amendments to standards, which are effective for annual periods beginning on, or after 1 January 2024 and earlier application is permitted however, the Company has not early adopted them in preparing these financial statements. The following standards are not expected to have a significant impact on the financial statements of the Company upon adoption:

- Amendments to IAS 1, Presentation of financial statements', on classification of liabilities
- Amendments to IFRS 10 and IAS 28 related to sale or contribution of assets between an Investor and its Associate or Joint Ventures
- Amendment to IFRS 16, Lease Liability in a Sale and Leaseback
- Amendments to IAS 1, Non-current Liabilities with Covenants

4 Material accounting policies

The accounting policies applied in the preparation of these financial statements are set out below. The accounting policies used in the preparation of these financial statements are consistent with those used in the preparation of the annual financial statements for the year ended December 31, 2022. Based on the adoption of new standard and in consideration of current economic environment, the following accounting policies are applicable effective January 1, 2023 replacing, amending, or adding to the corresponding accounting policies set out in 2022 annual financial statements.

4.1 Cash and cash equivalents

Cash and cash equivalents as referred to in the statement of cash flows comprise current account with the bank.

4.2 Financial instruments

4.2.1 Initial recognition and measurement

All regular way purchases and sales of financial assets are recognized / derecognized on the trade date (i.e., the date that the Fund executes purchase or sale of the assets). Regular way purchase or sale of financial assets that require settlement of assets within the time frame generally established by regulation or convention in the marketplace. All other financial assets and liabilities (including assets and liabilities designated at fair value through income statement) are initially recognized on trade date at which the Fund becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss. For all other financial assets and financial liabilities transaction costs are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

4.2.2 De-recognition of financial assets

Financial assets are derecognized when the contractual rights to the cash flows from the financial assets expire, or when the financial assets and substantially all the risks and rewards are transferred.

YAQEEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

NOTES TO THE FINANCIAL INFORMATION FOR THE YEAR ENDED 31 DECEMBER 2023

(All amounts are in Saudi Riyals unless stated otherwise)

4 Material accounting policies (continued)

4.2 Financial instruments (continued)

4.2.3 Classification and subsequent measurement of financial assets

Financial assets are classified into the following specified categories:

- Financial assets at fair value through profit or loss; and
- Financial assets at fair value through other comprehensive income.

4.2.3 Classification and subsequent measurement of financial assets (continued)

Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets. Examples of equity instruments include basic ordinary shares.

The Fund subsequently measures all equity investments at FVTPL, except where the Fund's management has elected, at initial recognition, to irrevocably designate an equity investment at FVOCI. The Fund's policy is to designate equity investments as FVOCI when those investments are held for purposes other than to generate investment returns. When this election is used, fair value gains and losses are recognized in other comprehensive income and are not subsequently reclassified to profit or loss, including on disposal. Impairment losses (and reversal of impairment losses) are not reported separately from other changes in fair value. Dividends, when representing a return on such investments, continue to be recognized in the statement of income as 'Dividend income' when the Fund's right to receive payments is established. The Fund has not classified any of its equity investment at FVOCI.

4.2.4 Classification and measurement of financial liabilities

Liabilities are recognized on an accrual basis for amounts to be paid in the future in return for services received, whether or not billed by the provider.

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Fund has designated a financial liability at FVTPL.

Subsequently, financial liabilities are measured at amortised cost using the effective interest rate method.

4.2.5 Fair value measurement

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Fund has access at that date. The fair value of a liability reflects its non-performance risk.

When available, the Fund measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as 'active' if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. The Fund measures instruments quoted in an active market at the market price, because this price provides a reasonable approximation of the exit price.

YAQUEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

NOTES TO THE FINANCIAL INFORMATION FOR THE YEAR ENDED 31 DECEMBER 2023

(All amounts are in Saudi Riyals unless stated otherwise)

4 Material accounting policies (continued)

4.3 Equity attributable to Unitholders

The net assets attributable to the Unitholders comprise units issued, and accumulated profit generated by the Fund. The redeemable units are classified as equity as explained below.

(i) Redeemable units

Units subscribed and redeemed are recorded at the net assets value per unit on the Valuation Day for which the subscription request and redemption applications are received.

The Fund classifies its units as an equity instrument if the redeemable units have all of the following features:

- It entitles the holder to a pro rata share of the Fund's net assets in the event of the Fund's liquidation.
- The instrument is in the class of instruments that is subordinate to all other classes of instruments.
- All financial instruments in the class of instruments that is subordinate to all other classes of instruments have identical features.
- The instrument does not include any contractual obligation to deliver cash or another financial asset other than the holder's rights to a pro rata shares of the Fund's net assets.
- The total expected cash flows attributable to the instrument over the life of the instrument are based substantially on the profit or loss, the change in the recognized net assets or the change in the fair value of the recognized and unrecognized net assets of the Fund over the life of the instrument.

In addition, in order to classify instruments as equity the Fund must have no other financial instrument or contract that has:

- Total cash flows based substantially on the profit or loss, the change in the recognized equity or the change in the fair value of the recognized and unrecognized equity of the Fund; and
- The effect of substantially restricting or fixing the residual return to the instrument holders.

The Fund's redeemable participating units meet the definition of puttable instruments classified as equity instruments under IAS 32. 16(A-B) and accordingly, are classified as equity instruments.

The Fund continuously assesses the classification of the redeemable units. If the redeemable units cease to have any of the features or meet all the conditions set out in paragraphs 16A and 16B of International Accounting Standard (IAS 32), the Fund will reclassify them as financial liabilities and measure them at fair value at the date of reclassification, with any differences from the previous carrying amount

recognized in net assets attributable to Unitholders. The subscription and redemption of redeemable units are accounted for as equity transactions as long as the units are classified as equity.

YAQUEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

NOTES TO THE FINANCIAL INFORMATION FOR THE YEAR ENDED 31 DECEMBER 2023

(All amounts are in Saudi Riyals unless stated otherwise)

4 Material accounting policies (continued)

4.3 Equity attributable to Unitholders (continued)

(ii) Trading in the units

Units of the Fund are made available for purchase only in the Kingdom of Saudi Arabia at Saudi Stock Exchange (Tadawul) by natural and corporate persons. The net asset value of the Fund is determined on the Valuation Day by dividing the net value of assets (fair value of total assets minus liabilities) by the total number of outstanding units on the relevant Valuation Day.

4.4 Net assets value per unit

Net assets value per unit disclosed in the statement of financial position is calculated by dividing the net assets of the Fund by the number of units in issue at the reporting date.

4.5 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Fund and the amount can be reliably measured, regardless of when payment is being made. Revenue is measured at the fair value of the consideration received or receivable, excluding discounts and taxes.

Realized gains and losses on investments at FVTPL sold are determined on a weighted average cost basis. Dividend income is recognized in profit or loss when declared (i.e., when the Fund's right to receive the dividend is established).

4.6 Management fee, custody fee and other expenses

The Fund's expenses include management fee, custody fee and other expenses. These expenses are recognised on accrual basis. Management and custody fee are based on predetermined rates as specified in the Terms and Conditions of the Fund. In accordance with the terms and conditions of the Fund, the annual rate of the Fund's expenses shall not exceed 1% of the net assets value. Detailed policies are as follows:

4.6.1 Management fee

The Fund Manager charges the Fund, on every Valuation Day, a management fee at an annual rate of 0.5% (31 December 2022: 0.5%) of the Fund's net assets value. These charges are calculated and accrued on each dealing day.

4.6.2 Custody fee

The Fund accrues custody fee expense at an annual rate of 0.03% (31 December 2022: 0.03%) of the net assets value. These charges are calculated and accrued on each dealing day.

4.6.3 Other expenses

The Fund Manager recovers any other expenses paid on behalf of the Fund as per Terms and Conditions of the Fund.

YAQEEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

**NOTES TO THE FINANCIAL INFORMATION
FOR THE YEAR ENDED 31 DECEMBER 2023**

(All amounts are in Saudi Riyals unless stated otherwise)

5 Cash and cash equivalent

| | 31 December 2023 | 31 December 2022 |
|--------------|-----------------------------|---------------------|
| Cash at bank | <u>98,207</u> | <u>138,710</u> |

Cash and cash equivalent comprise balances held with Banque Saudi Fransi which has a A2 long term credit rating as per Moody's.

6 Financial assets at fair value through profit or loss (FVTPL)

All Fund's financial assets are investments in the shares of petrochemical sector companies listed on the Saudi Exchange Tadawul. The Fund invests in the shares of Saudi petrochemical sector companies (FSBI), considering the relative weights of assets distribution, while sufficient cash is kept in the Fund continuously, to meet the expenses and any other obligations on the Fund.

Detail of equity investments of the Fund is as follows:

| | 31 December 2023 | 31 December 2022 |
|--|-----------------------------|---------------------|

NOTES TO THE FINANCIAL INFORMATION FOR THE YEAR ENDED 31 DECEMBER 2023

(All amounts are in Saudi Riyals unless stated otherwise)

7 Management fee payable

| | Note | 31 December 2023 | 31 December 2022 |
|------------------------|------|---------------------|---------------------|
| Management fee payable | 7.1 | <u>8,162</u> | <u>7,723</u> |

7.1 The Fund Manager charges the Fund, on every Valuation Day on daily basis, a management fee at an annual rate of 0.5% (31 December 2022: 0.5%) of the Fund's net assets value.

8 Other liabilities

| | Note | 31 December 2023 | 31 December 2022 |
|------------|-----------|---------------------|---------------------|
| Other fees | 8.1 & 8.2 | <u>8,162</u> | <u>7,723</u> |

Other fees include custody fee and other expense which are based on predetermined rates as specified in the Terms and Conditions of the Fund. These expenses are recognised on accrual basis. Detailed policies are as follows:

8.1 Custody fee

The Fund accrues custody fee expense at an annual rate of 0.03% (31 December 2022: 0.03%) of the net assets value. These charges are calculated and accrued on each dealing day.

8.2 Other expenses

The Fund Manager recovers any other expenses paid on behalf of the Fund as per Terms and Conditions of the Fund.

9 Contingencies and commitments

There are no contingencies and commitments as at 31 December 2023 and 31 December 2022.

10 Related Party Transaction and balances

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions.

Within the normal course of business, the Fund deals with related parties that are in turn subject to the Fund's terms and conditions issued by the CMA. All transactions with related parties are approved by the Fund's Board.

The Yaqeen Capital (Fund Manager) and funds related to the Fund Manager are considered as related parties to the Fund.

YAQEEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

**NOTES TO THE FINANCIAL INFORMATION
FOR THE YEAR ENDED 31 DECEMBER 2023**

(All amounts are in Saudi Riyals unless stated otherwise)

10 Related Party Transaction and balances (continued)

| Related party | Nature of transaction | Transactions | | Closing balance | |
|-----------------|---|------------------|------------------|------------------|------------------|
| | | 31 December 2023 | 31 December 2022 | 31 December 2023 | 31 December 2022 |
| Yaqeen Capital | Management and other fees (note 7) | (34,358) | (35,549) | 8,162 | 7,723 |
| Yaqeen Capital | Custody fee and other expenses (note 8) | (34,358) | (35,549) | 8,162 | 7,723 |
| Yaqeen Capital | (Disposal of) / Investment in Fund units, net – 61,501 units (31 December 2022: 82,338) | (724,040) | (1,419,039) | 2,033,256 | 2,796,848 |
| Yaqeen IPO Fund | Investment in Fund units, net – 29,200 units (31 December 2022: NIL) | 957,680 | - | 876,000 | - |

The Fund pays management fees, administrative fees and other expenses calculated on each Valuation Day in the percentages shown below of the Fund's net assets value.

| | <u>Annual Percentage rate</u> |
|-------------------------------------|-------------------------------|
| Management fees | 0.5% |
| Other fees and expenses, including: | |
| Administrative fees | 0.22% |
| Custody fees | 0.03% |
| Index fees | 0.10% |
| Listing and recording fees | 0.08% |

In accordance with the terms and conditions of the Fund, the annual rate of the Fund's expenses shall not exceed 1% of the net assets value. In addition, the Fund Manager bears any other additional expenses paid on behalf of the Fund.

11 Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

YAQEEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

NOTES TO THE FINANCIAL INFORMATION FOR THE YEAR ENDED 31 DECEMBER 2023

(All amounts are in Saudi Riyals unless stated otherwise)

11 Fair value of financial instruments (continued)

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

When available, the Fund measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. The Fund

measures instruments quoted in an active market at a market price, because this price is assessed to be a reasonable approximation of the exit price.

The fair value hierarchy consists of the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly
- Level 3: unobservable inputs for assets and liabilities.

Investments are based on prices quoted in active markets classified as level 1 and include quoted equity instruments. The Fund does not adjust the quoted price for these instruments.

The fund has classified investments measured at fair value through profit or loss (FVTPL) as level 1 as per the fair value hierarchy. During the period, there has been no transfer in fair value hierarchy. For other financial assets and liabilities, such as cash and cash equivalents, dividend receivable, management fee payable and other liabilities, the carrying values were determined to be a reasonable approximation of fair value due to their nature.

12 Financial instruments - risk management

The principal investment objectives of the Fund are to provide investors with income and capital growth over the medium and long term by trading in equity.

The Fund's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk.

The Fund Manager is responsible for identifying and controlling risks. The Fund Board supervises the Fund Manager, which is ultimately responsible for the overall management of the Fund.

Monitoring and controlling risks is primarily set up to be performed based on the limits established by the Fund Board. The Fund has its Terms and Conditions document that set out its overall business strategies, its tolerance of risks and its general risk management philosophy and is obliged to take actions to rebalance the portfolio in line with the investment guidelines.

The Fund uses different methods to measure and manage the various types of risk to which it is exposed; these methods are explained below.

a) *Credit risk*

Credit risk is the risk that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss.

YAQEEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

NOTES TO THE FINANCIAL INFORMATION FOR THE YEAR ENDED 31 DECEMBER 2023

(All amounts are in Saudi Riyals unless stated otherwise)

12 Financial instruments - risk management (continued)

The Fund's policy is to conclude financial instrument contracts with reputable counterparties. The Fund seeks to reduce credit risk by monitoring credit exposures, setting limits for transactions with specific counterparties, and constantly assessing the solvency of such parties.

The table below shows the maximum exposure to credit risk for the components of the statement of financial position.

| | <u>31 December 2023</u> | <u>31 December 2022</u> |
|------------------------------------|-----------------------------|-----------------------------|
| Cash and cash equivalents (note 5) | 98,207 | 138,710 |
| Dividend receivable | 9,223 | - |

The Fund measures credit risk and expected credit losses ("ECL") using probability of default, exposure at default and loss given default. Management considers both historical analysis and forward-looking information in determining any ECL.

All financial assets were considered for ECL as on 31 December 2023 and 31 December 2022. However, the impact of ECL on these assets was immaterial as the Fund is not exposed to significant credit risk and there is no history of default on recovery of these balances.

The Fund Manager reviews the credit concentration of the investment portfolio, depending on the counterparties. The Fund is not currently exposed to credit risk within its investment portfolio. The cash and cash equivalents balance are deposited with Banque Saudi Fransi, which has an external credit rating from Fitch ratings with a credit quality of A-.

b) Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in raising funds to meet its commitments associated with financial liabilities. Liquidity risk may result from an inability to sell a financial asset quickly at an amount close to its fair value.

The Fund's Terms and Conditions provide for the subscription and redemptions of units on dealing days during the week and it is, therefore, exposed to the liquidity risk of meeting Unitholders redemptions. The Fund's investments are readily realizable, and the units can easily be redeemed at any time. The Fund Manager monitors the liquidity requirements on a regular basis and seeks to ensure that sufficient funds are available to meet any commitments as they arise, either through new subscriptions, liquidation of the investment portfolio, or obtaining funding from related parties.

| 2023 | Up to one year | More than one year and up to five years | More than five years | Total |
|------------------------------|---------------------------|--|---------------------------------|---------------|
| Financial liabilities | | | | |
| Management fee payable | 8,162 | - | - | 8,162 |

| Other liabilities | 7,723 | - | - | 7,723 |
| | <u>15,446</u> | - | - | <u>15,446</u> |

c) *Market risk*

i) *Commission rate risk*

Commission rate risk arises from the possibility that changes in market special commission rates will affect future profitability or the fair value of the financial instruments.

YAQEEEN PETROCHEMICAL ETF

(Managed By Yaqeen Capital)

NOTES TO THE FINANCIAL INFORMATION FOR THE YEAR ENDED 31 DECEMBER 2023

(All amounts are in Saudi Riyals unless stated otherwise)

12 Financial instruments - risk management (continued)

As of the date of the statement of financial position, the Fund is not exposed to significant commission rate risk as it does not have any financial instruments that carry significant special commission.

ii) Currency risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to a change in foreign exchange rates.

The functional currency of the Fund is Saudi Riyals. As the Fund's financial assets and financial liabilities are denominated in its functional currency, the Fund is not subject to currency risk.

iii) Price risk

Price risk is the risk that the value of the Fund's financial instruments will fluctuate as a result of changes in market prices caused by factors other than foreign currency and commission rate movements. The price risk arises primarily from uncertainty about the future prices of the financial instruments that the Fund holds.

The Fund Manager closely monitors the price movement of the Fund financial instruments listed at Saudi Exchange "Tadawul". The Fund Manager manages the risks by diversifying its investment portfolio by investing in various stocks in the petrochemical sector.

Detail of the equity investments of the Fund is as follows:

| | 31 December 2023 | | 31 December 2022 | |
|--|------------------|------------------|------------------|------------------|
| Industry group | | | | |
| Saudi Basic Industries Corp. | 39.61% | 2,255,586 | 39.94% | 2,324,847 |
| SABIC Agri-Nutrients Co. | 17.29% | 984,813 | 17.25% | 1,003,955 |
| Sahara International Petrochemical Co. | 12.72% | 724,346 | 11.94% | 695,126 |
| Saudi Industrial Investment Group | 7.19% | 409,479 | 6.71% | 390,343 |
| Saudi Kayan Petrochemical Co. | 5.63% | 320,690 | 6.61% | 384,871 |
| Yanbu National Petrochemical Co. | 5.53% | 314,826 | 5.69% | 331,386 |
| Advanced Petrochemical Co. | 5.12% | 291,764 | 5.27% | 307,020 |
| National Industrialization Co. | 4.35% | 247,934 | 4.09% | 238,362 |
| Alujain Corp. | 1.45% | 82,758 | 1.26% | 73,531 |
| Methanol Chemicals Co. | 0.72% | 40,722 | 0.85% | 49,234 |
| Nama Chemicals Co. | 0.38% | 21,571 | 0.38% | 22,407 |
| | | 5,694,489 | | 5,821,082 |

The effect of a 5% increase in the value of the equity investments held at the reporting date would, all other variables held constant, have resulted in a decreased in loss for the year and increased in net assets of SR 284,724 (2022: SR 291,054). A 5% decrease in their value would, on the same basis, have increased loss for the year and decreased the net assets by the same amount.

YAQEEEN PETROCHEMICAL ETF
(Managed By Yaqeen Capital)
NOTES TO THE FINANCIAL INFORMATION
FOR THE YEAR ENDED 31 DECEMBER 2023
(All amounts are in Saudi Riyals unless stated otherwise)

13 Capital management

The capital of the Fund is represented by net assets attributable to holders of redeemable units. The net assets attributable to the Unitholders of redeemable units can change significantly on each Valuation Day, as the Fund is subject to subscriptions and redemptions at the discretion of Unitholders on every Valuation Day, as well as changes resulting from the Fund's performance.

The Fund's objective when managing capital is to safeguard the Fund's ability to continue as a going concern in order to provide returns for Unitholders, provide benefits for other stakeholders and maintain a strong capital base to support the development of the investment activities of the Fund.

The Fund Board and the Fund Manager monitor capital on the basis of the value of net assets attributable to Unitholders.

14 Unit Value Reconciliation

In accordance with CMA circular no. 1/6/7218/17 dated 13 Rabi al-Thani 1439H (corresponding to 31 December 2017), the CMA Board decided on 10 Rabi al-Thani 1439H (corresponding to 28 December 2017) to restrict the recording of expected credit losses (ECL) calculated in accordance with IFRS 9 only for the purpose of financial reporting.

All financial assets held at amortized cost were considered for ECL as on 31 December 2023. However, the impact of ECL on these assets was immaterial as cash and cash equivalents are held with bank having sound credit rating and there is no history of default or recovery of these balances. Accordingly, this financial statement do not contain any significant ECL adjustments and therefore reconciliation of the unit price calculated according to the applicable financial reporting framework to the unit price calculated for the purpose of unit transactions is not required.

15 Last Valuation Day

The Fund units are valued, and the net assets value is calculated at the end of each working day (valuation day). The last day of valuation was 31 December 2023.

16 Approval of the financial statements

These financial statements were approved by the Fund's Board on 27 March 2024
